

Iowa 4-H Charity Shoot

Fundraiser to benefit the Iowa 4-H Foundation & 4-H Shooting Sports

Sponsorship Opportunities

Teams of five will compete in the 100 round sporting clays competition. Sporting clays is a shooting sport designed to simulate real hunting conditions. Targets are shot at a variety of stations, with each station replicating shots that may be encountered in hunting a variety of fur and fowl. Stations such as “springing teal”, “flushing pheasant” and “running rabbits” create challenges similar to actual hunting conditions. Participants will also have the opportunity to learn more about the 4-H Shooting Sports Program. Teams may request the morning or afternoon flight. Once the final schedule has been set, additional shooting rounds may be purchased if time allows with priority given to sponsors. Lunch will be provided on-site.

Space is limited. Sponsors have priority registration as well as promotional opportunities at the event. Questions contact Emily Saveraid at 515.294.1537 or email esaver@iastate.edu.
