

Contributing Youth Award Nomination Form

Legacy Awards Gala

The Iowa 4-H Foundation will host the Seventh Annual Legacy Awards Gala, an evening to celebrate Iowa 4-H and to recognize those who have made a significant impact on the program. The event is a fund-raiser and awards ceremony to honor outstanding contributors to the Iowa 4-H Program and to raise funds to support the program. Four awards will be given over the course of the evening.

We need your help to identify the winner of the **Contributing Youth Award**, which will be given to a current 4-H'er who is making an impact on their home community. Please submit nominations to recognize the outstanding young people in your county! The award will be given at the event, Friday, February 25, 2022 in Des Moines. The winner will be contacted in advance and will receive four tickets to the event. Nominations must be received by September 30, 2021. Contact Peyton Schmitt with questions: 515.294.4780 or email pschmitt@iastate.edu.
