Teams of four will compete in this sporting clays competition as they navigate a 14-station course. Sporting clays is a shooting sport designed to simulate real hunting conditions. Targets are shot at a variety of stations, with each station replicating shots that may be encountered in hunting a variety of fur and fowl. Participants will also have the opportunity to learn more about the 4-H Shooting Sports Program. Registration will start at 8:30 a.m. Lunch will be provided on-site.
